**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic DSL customer, and value the opportunity to choose Sonic over other, larger carriers. Sonic is a local company whose service has been reliable and fairly prices. Sonic's access to copper wire is essential to their business model, Sonic's business is essential to having a competitive market, and competitive markets are what drives progress forward and prices down.
